

Love, learn and grow together

Sacrament of Reconciliation

We go to confession to say sorry and to be forgiven. Year 4 children made their first confession today, with Father Kevan, in the school hall. They all did very well. Father was so proud of them. Please say a prayer for them this weekend.

*Come, Holy Spirit, into our hearts,
Show us what we have done wrong
and the good that we have failed to do.*

*Give us the grace to be sorry,
so that through Confession,
we might be healed
and strengthened to do good.*

Amen

Swimming Returns

Year 6 children returned to the baths today after two years.

It is so important that we try to get them all swimming again before they move on to high school and we are very

grateful to St Helens swimming team for helping us arrange this for the children.

Contributions towards the transport costs should be made using [SchoolMoney](#).

Years 3, 4 and 5 are booked in for swimming in September.

Seedlings

Year 1 and Year 2 have been planting seeds this week.

They are watching daily to see how they germinate and grow.

1666 on the Playground

Year 2 created Pudding Lane on the playground this week from box models of Tudor houses. When Ms Flaherty set one alight, they watched as the flames grew, spread and consumed all the houses, just as they did in 1666 in the Great Fire of London.

RSHE Curriculum

Parents who are interested in finding out about our Relationships, Sex and Health Education lessons may attend an online Microsoft Teams meeting next Thursday at 6pm.

To join the meeting, please let the office know and we will send you an invitation. Anyone unable to attend the meeting may email the school office if they would like information to be sent home.

Sports Days

Spectators will not be invited to our Sports Days on 25th and 27th May.

We hope to have a sports event with spectators later in the school year if government regulations change.

Andy Goldsworthy

Year 6 have been looking at the work of an artist who aims to help people notice nature once again and ponder its magical mysteries.

By creating sculptures made of all natural materials and constructing them in their original environment, Goldsworthy is able to observe the effects of time in nature. Our children have used his work as inspiration for their own creations and they are wonderful!

British Values

Year 5 have been learning about democracy, respect, tolerance, the rule of law and individual liberty.

Uniform

Many thanks to those who have now managed to provide all uniform.

Mondays, Wednesdays and Fridays are full uniform, including black school shoes. Those without ties can order them using [SchoolMoney](#). and the tie will be sent to the classroom.

Tuesdays and Thursdays are PE days so children should wear their PE kit: blue t-shirt and blue shorts with socks and trainers. Blue tracksuits may also be worn.

Nail varnish and make up should not be worn in school and long hair should be tied back with bobbles and bows that match the school colours, blue, white, black or grey.

Winmarleigh Hall

Year 6 will be going on their annual residential on Friday 9th July. Please continue to pay towards the cost of this trip. Many thanks.

	Star of the Week	Marvellous Manners	Reading Award	Gospel Values
