

Love, learn and grow together

Feast of St Peter and St Paul

Father Kevan visited school on Tuesday to say mass. He reminded us all about how different the two saints were, in their personalities, jobs and outlooks on life.

He said that there is room in the church for all people, however different they are, and that Jesus loves us one and all.

He sent his very best wishes and prayers to all families with children in our school and wished them a very happy feast day.

Walking and Cycling

We have new bike racks in school. Children taking part in **Bikeability** lessons this term may lock their bikes to them when they bring bikes to school.

All children will be able to bring bikes and scooters from September if their parents wish them to.

Walking, cycling and scooting to school are all encouraged to reduce the need for cars on the road.

Help to protect our world by using environmentally friendly transport options when you can.

Postponement

Our Chester Zoo trip has been postponed on the advice of St Helens Public Health. This is because of the huge increase in Delta variant cases of coronavirus in our area and across the North West. The high risk of transmission could result in further cases and children having to self-isolate in large numbers. This could result not only in more people becoming ill but also prevent families from going on booked holidays at the end of term.

We have transferred our zoo trip to September when we hope that the situation will be easier.

Year 6 will have their money refunded for the zoo trip. We are hoping not to cancel the year 6 PGL trip as they are all in the same bubble and will not be mixing with any other school. Here's hoping that we will be able to go ahead!

Times Tables Checks

Year 4 did formal times tables tests last week and Mrs Chippendale sent the scores to the Department for Education. She is extremely pleased with the results. Outstanding progress has been made this year, especially by those who regularly used Times Tables Rockstars.

Well done Year 4.

In September we will continue alternating between full school uniform days and PE kit days.
