

Love, learn and grow together

Summer Sing

On Monday 22nd July at 6pm all are welcome to join us in the school hall for our 'Summer Sing' concert. Come along and listen to our wonderful choir sing their hearts out before we break up for the holidays. No tickets are required - refreshments will be on sale before the songs begin.

Year 6 SATs Results

We were delighted to receive the Year 6 SATs results this week. All of our children have made excellent progress this year and should be very proud of their national examination achievements. Many thanks to all the staff across the school who have worked so hard to support and prepare them throughout their years at primary school.

Sports Day

We are hoping for dry weather next Tuesday for our Sports Day. Our school field becomes very slippery when, and after, rain falls and our children do run very fast in their competitive races. The current forecast leading up to Tuesday looks excellent so fingers crossed!

Apologies to parents who have had to rearrange work commitments - we do appreciate how tricky this can be. If "rain stops play" again next Tuesday we will hold internal races as soon as the field is dry enough, without an audience and let families know the results after the event.

Summer Fair

Just over £1,000 was raised at our Summer Fair. Thank you to everyone who made it possible.

We still have a few uncollected raffle prizes.

The winning numbers are:

440, 535, 255, 280, 385, 390, 375, 320, 245

Peter Pan

Juniors should arrive at school at 6.15pm on Thursday night to prepare for their performance at 7pm.

A raffle, photographs and refreshments will be available to purchase on the night. Many thanks to all the parents who have helped with costumes for the show - the children look wonderful!

Rehearsals are going well with Wendy, Tinkerbell, Peter Pan, John and Michael flying to Neverland with growing confidence. Our enthusiastic pirates are developing their sword techniques and our Hawaiian and Indian dancers are working hard on their routines. Year 3 will enchant their audiences next week with their rendition of 'Never Smile at a Crocodile' and everyone is working hard to learn all their songs and play scripts.

Capture Your Heart

We are planning to create a large artwork in school for September based on love and hearts.

Please take a photograph of your child, sometime over the summer holidays, making a heart shape with their hands. The setting could be a garden, park, beach or home, In St Helens or far away. The picture can be sent to school either as a print or as an email attachment. Our school email address is:

stpeterpaul@sthelens.org.uk

Reports and Parent Meetings

School reports will be sent out before the end of term. Parents and Carers are very welcome to meet with their child's class teacher to discuss any comments or grades. Please make appointments through the school office.

School Trip Money

Please send any remaining school trip money before the end of this week so that we can pay for the coaches in advance and entrance fees on the day. Please remember that school budgets no longer have any spare funds to subsidise trips. Many thanks for your support.

Catholic School Levy

It would be greatly appreciated if families could pay off any remaining Catholic School Levy money this week. We need to pay our school's contribution to the archdiocese before the end of July. Many thanks for your support.

Our Peace Garden

At the front of our school we have a peace garden with benches, pergola, paved and lawned areas. It has some beautiful trees and well established bushes.

We are looking for volunteers from our school and parish community who would like to volunteer to help to look after this garden for the staff and children of the school.

Anyone interested, please let the school office know. The school is open throughout the summer holidays for volunteers to help with weeding and planting.
