

Love, learn and grow together

Saving Hearts

Jake is new to our Reception class this term and is settling in extremely well.

He was born with a rare cardiac condition and has had lengthy hospital stays before starting school.

He has recently featured in the St Helens Star for inspiring his and other parents to set up a group called Team 1C. They raise money for children in India to have heart operations that have saved their lives.

To find out more, read the local paper online:

Our Peace Garden

Thank you so much for all the daffodil bulbs that have been pouring in - we now have over 150 to plant at the end of September.

If anyone else would like to donate any, please send them to school throughout September.

Many thanks.

London Trip

Nearly 50 children have expressed an interest in the London trip!

Places will now be booked and information letters will go out to interested parents giving further details and requesting a deposit to hold their child's place.

Pop Up Café

Next Friday, 20th September is our next Pop Up Café. Come along for a drink and a chat at 9.05am. Please bring babies and pre-schoolers. There are lots of activities for them!

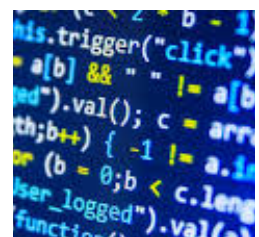

Armed Forces

Parents who work in the armed forces in any capacity should let the school office know. Children of such parents bring additional funding to our school budget. Many thanks.

Coding Club

Children in years 3, 4, 5 or 6 may join our Coding Club on Wednesdays during lunchtime.

Any pupil interested should speak to Mr Quinn.

Judo Demo

A fabulous judo demonstration was given by Antony in the school hall this week. Many children were able to take part and it was great to see so many confident children involved. Taster sessions are now available on Mondays after school. Parents should send in the reply slip if they would like a child to take part.

Ballet Lessons

It was lovely to see so many boys and girls attending the ballet class on Wednesday at lunchtime.

Mrs Rigby has two excellent ballerinas assisting with the teaching. Miss Peighton and Miss Isabelle were able to demonstrate all the positions and steps beautifully. Many thanks to them.

Parking With Care

We have been informed that from Monday regular random checks will be taking place in Derwent Road by Parking Enforcement Officers.

This follows a growing number of complaints from local residents who have been unable to access their driveways in the mornings and at pick up time.

Buses have also struggled to access the road and school gates have been blocked to bin lorries and delivery vehicles.

Please try to park in nearby streets and walk the short distance to school, allowing more circulation space around the vicinity of the school. This will make the area safer and more pleasant for everyone.

Many thanks for your support.
