

Love, learn and grow together

Happy New Year

The Chinese New Year is this weekend. We wish a prosperous new year to all. May you and your families have happiness and joy.

Thank you so much to the Xu family who sent fortune cookies in to school for everyone.

Congratulations to the winners today of our Chinese Dragon colouring competition.

Young Carers Awareness Day

Thursday 30th January is Young Carers Day.

We have some children in our school who care for family members and do this extremely well. Well done to them all. We will be thinking of you, and the valuable work you do, on your special day.

Glo-Sport

Years 5 and 6 will send a team of ten people to represent us at the first St Helens Glo-Sport tournament.

It will be held at Corpus Christi on Tuesday afternoon.

School Nurse Drop-In

Parents with questions or concerns about a child's health, or simply wanting some friendly advice, should drop in to school between 8.30am and 9.00am on Thursday 30th January.

Book Fair

Next Wednesday, 29th January, will be our annual book fair.

Books will be on sale in the school hall from 3pm so that parents can take a look before picking up children. For every book bought, another is donated to our school classroom libraries.

Movie Night

Popcorn, drinks and a cosy film with friends will take place on Thursday 30th January.

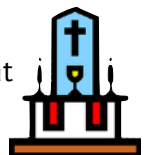

Arrive at 5.30pm, £4, pay on the door.

House points	previous total for this half-term	points this week	new half-term total
Matthew	244	210	454
Mark	386	175	561
Luke	309	189	498
John	362	257	619

Mass In School

Father Kevan will say a mass in our school hall next Friday, 31st January, at 9.15am. All families are very welcome to come along.

There will be no pop up cafe that morning. Children from Years 2 to 6 will attend.

Valentine Disco

Infants and juniors will have discos during the afternoon of Valentine's Day, which is on the last day of this half term, Friday 14th February.

Children may come to school in party clothes on that day, bringing a donation of £2 for school funds and refreshments.

Oceans of the World Project

Children in Years 4, 5 and 6 who are not going on the London trip will be taught by Miss Hooton on 26th and 27th February.

They will take part in a Geography and Science project studying the oceans of the world. As part of this project they will create an undersea adventure for the infant children to explore, using a variety of art and craft materials.

London Trip

Many of our junior children are looking forward to the trip to London. They will visit the Tower of London and crown jewels before checking into their hotel.

After unpacking, they will go out for dinner at The Rainforest Cafe and then go to see the amazing musical show 'Wicked!'

After a sleep and breakfast the children will take a flight on the London Eye, see the Houses of Parliament and visit The London Aquarium.
