

Love, learn and grow together

### Fun at the Museum

We had a great time looking around Liverpool's World museum last week. There were so many amazing things to see, Grace, Thomas and David particularly enjoyed looking at the ancient skulls and Charlotte, Amira and Sophia loved the natural history section.

Dinosaurs and Ancient Egypt also proved popular, as was the aquarium and space centre.

### Reports

School reports go out this week for all children, providing families with information about effort and attainment in school. Some year groups have also taken part in special assessments from phonics to times tables to SATs.

We are very proud of all our children, who have done their very best and all should be congratulated on their work this year.

Parents who wish to discuss the report or assessments with class teachers, should contact the school office to make an appointment.
